

**Women Surgeon of Kuwait Mentorship Program  
Call for Mentors and Mentees 2025-2026**

After a successful five cycles of Mentorship program, the Women Surgeon in Kuwait (WSK) is seeking applications from women surgeons who would like to apply for the Mentorship Program for Women Surgeons. This is an opportunity for early career female surgeons to develop a mentoring relationship with established surgeons practicing in all the specialties represented within the WSK. **This is the forth year we expanded our scope to include mentees from GCC countries, in response to demands form many female surgeons from the Gulf Countries and successful last year enrollment.**

This is a one-year program extends from **1<sup>st</sup> April 2025 to 31 March 2026**

Interested individuals must complete and submit an application by **15 March 2025**. The committee is also seeking qualified mentors. Visit the <http://womensurgeonskwt.org/?page=mentorship> to download the Mentor or Mentee Application. All applicants will be notified by **25 March 2025** regarding their participation in the program and their mentor/mentee match.

We are looking forward to successful year of mentoring! For more information on the Women in Surgery Committee, visit the <http://womensurgeonskwt.org/?page=mentorship>.

Best wishes
